1. **I am coming/giving you me. I am giving you me. I am coming in glory you know nothing of**, have known nothing of, save moments of incarcerationless glory that manifested light little; and short lived not, my me see/are me. I love you. I am the king of glory. Who is this king of glory I speak of? Shouting not but going in the streets incessantly trying to be heard. Making of myself no reputation; but many make many, in their line of thinking; crossways and every which of way trying to figure out the simple. They are me! I love you all.

2. Who is this king of glory, in my manifested saints not, but regular people/folks just like me/you. **See what I have said, am saying, calling to repentance not but surrender to be who you are; what you have, living in, and being me/all-provision'd.** I love you.

3. Who is this king of glory in my manifested saints not but leaders in me of me who me are, who've seen the king of glory inside them, and yielded not to temptation to resist, but **surrender to kingship of glory-dom not their own making.** Walking in the light now that they are, designed to be; resisting not trying to make their own, but walking/surrendering into mine.

4. See what I am saying, have said.

5. Maketh no sense, not; perfectly whole and light, perfect, and who completed can be? All who want me more than them, to know who they are, who I am, where I came from, how all came about not, yea and more. I giveth my all-heart sideways not; cataclysmic'd not by **man's blow to manhead**; but me coming and giving glory for ashen worn out bodies/**minds that incarcerate themselves no more with theologies/ideologies of man** incarcerating/controlling man-dom. I love you.

6. Who can see the freedom on my head, theirs? Who will accept me not in salvation external, but surrender internal; to internal kingdom building, not; displacement of not-me to me become/reveal; inside them, becoming the king of glory all. I love you. I give you me, this moment, all.

7. Be not surrendered to fatigue-thought or that which disdains me/my glory. I love you. This is the now/being me now and forevermore. Amen.

8. I love you. I love you. **I enjoy your company/presence/focus** on me. I let my kingdom come in power glory and majesty uncomprehended/unparalleled; you my friend, are me. Roll on, rock on, the rock hewn and majestic is my our name.

9. Who is this king of glory? Me'd ones simply surrendered to me/each other/father, father being/becoming.

10. Who is this king of glory? All who want me, pure and simple, and give their life for me. Who can see me now not asking for death in/by death, but in/by life? And in so being me defeating death? **I love you immortal, eternal, everlasting; before, after, yea, even now being now.** Relinquishing not right nor title to past present or future, but relinquishing non-existent words painting pictures of not-me, become me, king of glory. Please. I thank you. Amen.

11. Me.

12. See my loving continue as is, abated not; accelerated exploded and fission'd fusion who can see/grasp continuously **and never wane in worshipful surrender**? My all'd ones. 13. Me.

14. Go in peace. Enjoy my day/provision/sunlight. **Glorious day in kingship one of one being/declaring in ways unimaginable so soon, thoughtless not; all thought given me**, mine thou art; whole, complete, king'd in glory, only mine. We are one/now.
